Date: _____

Puppy Color: Black Yellow Chocolate

Puppy Gender: Male Female

The above-mentioned puppy was sold to:

Name: _____

Address: _____

Phone: _____

For a total cost of \$ _____ Balance due: _____

We guarantee your puppy to be in good health and free from visible signs of infection, contagious or communicable diseases when purchased. D&S Retrievers does not guarantee the puppy to be free of common problems, such as diarrhea (normally caused by changing homes, food & water) or short-term conditions. These include but are not limited to, the presence of common parasites, (roundworms, coccidia, giardia, hookworms, tapeworms, etc). The puppy had its dewclaws removed on _____. Your puppy has been wormed at 2,4,6 & 7 weeks of age. The puppy has received vaccines on _____ at 6 weeks of age. We highly recommend that you make an appointment to see a licensed veterinarian within the first 7 days from the time that you pick up your puppy.

Our puppies are born and raised in our home with lots of love. At 8 weeks of age the pups are ready to leave our home and join their new family. We know we have done our best in raising your new family member. Our goal is to produce puppies with excellent temperament, health, and intelligence. We back our puppies with these comprehensive guarantees:

1. Health Guarantee - 7 days
2. Hips & Elbows Guarantee - 27 months

1. HEALTH GUARANTEE

If your veterinarian states that your puppy has any problem that makes it a poor health risk, you may, within 7 days of purchase, return the puppy (along with the AKC registration papers) for a full refund (minus the non-refundable deposits). A written, signed, and dated statement from your veterinarian is required to detail the description of symptoms supporting his/her opinion and an explanation as to why this puppy would be a poor health risk. This exam and all associated costs are the buyer's responsibility. Please note that this is 7 days from when the pup leaves our premises.

2. HIPS & ELBOWS (for breeding purposes only)

D&S Retrievers guarantees your pup will have a hip rating of fair, good, or excellent as well as an elbow rating of normal. While hip dysplasia could happen, this guarantee is offered to protect your personal and monetary investment. All associated costs are the buyer's responsibility.

After 24 and before 26 months, have your dog's hips and elbows x-rayed by a reputable veterinarian according to Orthopedic Foundation for Animals (OFA) guidelines and the films submitted to the OFA. Female radiographs must not be taken pre or post 30 days of the dog's heat cycle. In the event OFA results require implementation of the guarantee the following verification and/or documentation will need to be provided: 1) Veterinarian verification the dog is, or was not obese or otherwise improperly fed. Nor are there signs of evidence of injury or trauma; 2) If the dog is not being returned to D&S Retrievers, the dog must be spayed or neutered at the owner's expense, and proof of the procedure must be provided to D&S Retrievers.

OTHER INFORMATION

Although it is not required or mandated, D&S Retrievers believes it is a respectable practice to recognize the breeder when selecting your pups name by including the breeders company name in the official AKC registered name. Should you choose to use "D&S" in the official naming of your pup, we offer our genuine gratitude and our warmest "Thank You" for the acknowledgement.

If, during this puppy/dog's life, Buyer cannot or is unable to care for or keep the puppy/dog, the Buyer must return the puppy/dog to D&S Retrievers. All AKC papers, veterinary records, etc. should also be returned to D&S Retrievers. Buyer agrees that under no circumstance is this puppy to be sold to a pet store, laboratory, research facility, or surrendered to an animal shelter or pound. No cash/money refunds will be made of any kind.

CONDITIONS FOR D&S Retrievers GUARANTEE:

To make a claim under any of these provisions, all documentation from licensed Veterinarians and OFA must be submitted for review.

- Your dog must be fully registered with the American Kennel Club within 30 days, or this contract is null and void.
- Puppy is sold with AKC Limited Registration. Breeder/Dam Owner guarantees to reverse registration to Full Registration once proof of health clearances has been provided.
- Hip x-rays must be submitted to OFA as stated in Section 2, in the time frame outlined. Failure to do so will void this guarantee.
- The dog must not have whelped or sired a litter.
- All scheduled vaccinations must be kept up to date, as recommended by your veterinarian. Each puppy must be on a monthly heartworm preventative to maintain good health. Complete health records must be submitted to D&S Retrievers along with any other Veterinary documentation. Poor health management may disqualify you from a refund.
- All requests for refunds must be made in writing and submitted within 10 days after receiving your dog's written diagnosis. There is a 3-month time limit for refunds.
- If you are eligible to receive a full refund, you must return any registration or registration application documents and the dog back to D&S Retrievers before a refund is issued.
- You will receive a 50% refund if you choose to keep the dog. In this situation, you must spay/neuter the dog at your expense and submit written verification from the licensed veterinarian who performed the surgery before we issue your refund.
- The owner must be the original owner. This guarantee is non-transferable. The Health Guarantee will expire once your dog reaches 27 months of age.
